1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Allowable Subject Matter

2. Claims 1-12, and 15-21 are allowed (renumber claims are 1-19).

The following is an examiner's statement of reasons for allowance:

neither the references cited nor the cited references teach, suggest, or in combination of a LSI package having a package structure configured to hold the signal transmission lines and the second coupling parts, the second coupling parts being electrically connected to the first coupling parts by means of mechanical contact, respectively, and the package structure being mounted on the interposer and having a through-opening to receive the LSI to allow the heat dissipation member to be located above the surface of the LSI (claims 1 and 3).

For claims 20-21:

The reasons for allowance have been stated from the last Office action.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
